IN RE:	Application of Cardiss Green for a Class C)	ORDER GRANTING
	(Taxi) Certificate of Public Convenience and)	REINSTATMENT OF
	Necessity for Operation of Motor Vehicle)	CERTIFICATE
	Carrier)	

This matter comes before the Public Service Commission of South Carolina (the Commission) by way of the Application of Cardiss Green (Cardiss Green or Applicant) to reinstate the Applicant's Class C (Taxi) Certificate of Public Convenience and Necessity No. 8703.

On March 2, 2021, a Petition was filed by the South Carolina Office of Regulatory Staff ("ORS") to Revoke Certificates of Public Convenience and Necessity of certain motor carriers for failure to pay decal fees required by S.C. Code Ann. §58-23-560 (2015)¹; thereby failing to comply with the statutes governing operations of motor vehicle carriers in South Carolina. The record reflects that Cardiss Green was listed in and served with the Petition to Revoke Certificates for noncompliance. For those motor carriers who had not responded to the prior notifications of noncompliance, a formal hearing regarding the Petition was held on May 26, 2021. The Commission found that the Certificates of Public Convenience and Necessity held by certain carriers, including the Applicant, should be revoked and cancelled for the violation of failing to pay decal fees. Accordingly, on July

¹ Docket No. 2021-72-T.

15, 2021 the Commission issued Order No. 2021-389, which cancelled Cardiss Green's Certificate No. 8703.

On February 8, 2022, the Applicant filed a request seeking reinstatement of the cancelled Certificate. Thereafter, by letter filed February 24, 2022, the Office of Regulatory Staff ("ORS") advised that ORS does not object to the request for reinstatement of Cardiss Green's Certificate and to allow the compliance stage of the process to begin. The Commission has reviewed the case before it and, after due consideration, the Commission concludes that the above-mentioned Certificate should be reinstated, subject to compliance with all the applicable statutes and the Commission's Rules and Regulations, and that prior to such compliance and certification, regulated motor carrier services shall not be provided by the Applicant.

IT IS THEREFORE ORDERED:

1. That Class C (Taxi) Certificate of Public Convenience and Necessity No. 8703 of Cardiss Green be, and hereby is, reinstated, subject to compliance with the applicable statutes and the Commission's Rules and Regulations.
2. That all operating rights authorized under the Certificate are hereby reinstated, subject to compliance with the applicable statutes and the Commission's Rules and Regulations.
3. Failure of the Applicant to complete the compliance process within ninety (90) days of the date of this Order, or within such additional time as may be authorized by the Commission should an extension of time be approved prior to the expiration of the ninety (90) day time period, shall cause this Order to become null and void, thereby rescinding the authority granted for reinstatement of the Applicant's Certificate. In this

event, the request for reinstatement shall be dismissed without prejudice, and no further action by the Commission is necessary.

4. The ORS is requested to furnish to the Commission, every two months, the names and docket numbers of those applicants whose order becomes null and void under the terms of the previous paragraph.

5. This Order shall remain in full force and effect until further order of the Commission.

BY ORDER OF THE COMMISSION:

Justin T. Williams, Chairman
Public Service Commission of
South Carolina
